Simple Bird Feeder

You will need:

- Empty cardboard tube
- Peanut butter
- Butter knife
- Wild birdseed
- Tray
- String (optional)

Instructions

1. Using the butter knife, carefully spread a thick layer of peanut butter all over the cardboard tube.
2. Pour the birdseed into the tray.
3. Roll the peanut butter-covered cardboard tube in the birdseed. Press down carefully to make sure the birdseed has stuck to the peanut butter.
4. Gently, shake off the excess birdseed over the tray.
5. Slide the birdfeeder onto the branch of a tree. Alternatively, you could thread some string through the tube and tie it in a knot at the top to make a loop.
6. Sit back and count how many different birds visit your feeder to enjoy a treat!
