

Year 5 project 1.

L.O: To create a power point presentation exploring and explaining how the present tense of regular verbs ending in –AR work in SPANISH.

When you finish your project, you can send it to me by Google Classroom. Sta. Cordero

Success criteria:

Explore and explain how the regular verbs ending in **-AR** are formed and used. Give some examples.

E.g. Yo amo el chocolate / ella estudia español.

- Colour code the endings.
- *Give some examples of negative form (as many as you can)*
- Include some connectives to link your sentences (y / pero / sin embargo / también / o)
- Include pictures from the internet.
- **DO NOT** use internet translate to write your sentences.
- Use your notes from class and Google Classroom.

Find some infinitive verbs in the dictionary (or internet), and explore and explain why they are or they are NOT REGULAR VERBS
