

The Messy Magpie Litter Pick

Can you help Morris and the other animals collect litter by organising your own litter pick around your school?

- You will need a litter grabber, a bin bag and a pair of gloves.
- Walk around your school grounds and use your litter grabber to collect any litter that you find and put it in your bin bag.
- Keep a tally of the types of materials that you pick up.

Material	Tally	Total
Paper/card		
Plastic		
Metal/foil		
Glass		
Textiles		
Wood
