	<b>Paper/ card</b>	<b>Plastic</b>	<b>Metal/ foil</b>	<b>Glass</b>	<b>Textiles</b>	<b>Wood</b>

1. Which type of material did you find the **most** of?

---

2. Which type of material did you find the **least** of?

---

3. What was the **difference between** the material you found the most of and the material you found the least of?

---

4. What is the **total amount** of litter that you found?

---

Are there any ways you could help to stop littering in your school grounds?

---

---
