Dada ist keine Kunstströmung

Year 8 Project

What events in history interest us?

Die große
**Welt
dada**

You are going to create a History project on a topic of your choice

Key points to think about when designing your project:

- What are the facts about your topic?
- Why is it an important topic?
- What are your views on your topic?
- Are there any lessons from it we can learn today?

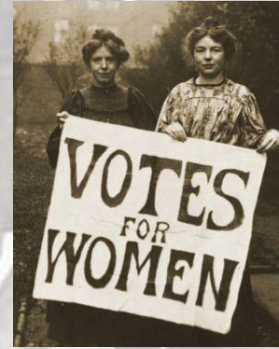

Your work can be presented as a poster, PowerPoint, video, speech etc. (ask if you need anything)

Topic ideas

The Great Fire of London

The Vietnam War

9/11

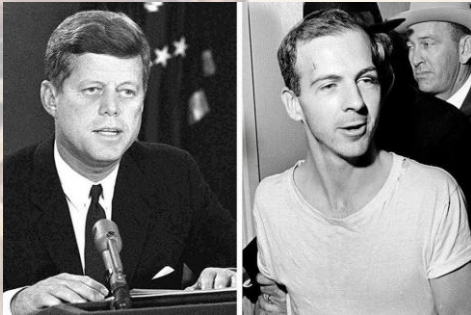

Suffragettes

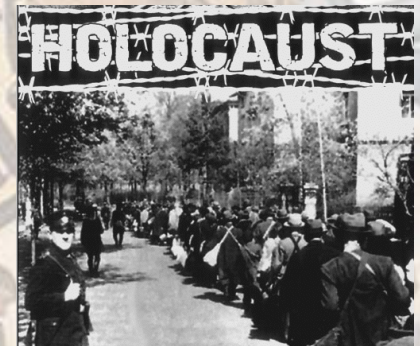

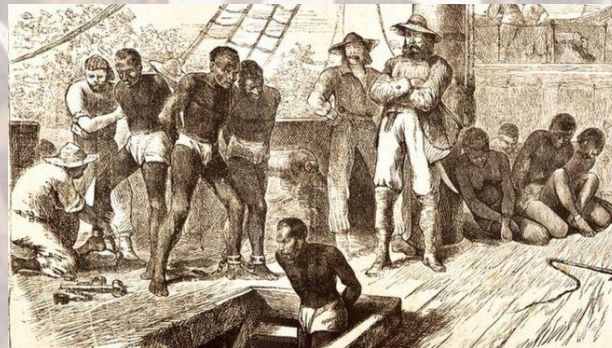

The Russian Revolution

The Assassination of JFK

The Holocaust (be sensitive!)

The slave trade

You are going to create a History project on a topic of your choice

- You have 2 weeks to complete your project and we will then present them to the class and answer questions on the topic.
- All homework is to work on your project.
- When presenting, try to give your opinion as well as giving the facts!
